

J-St. Drain Re-Modeling & Beautification Letter Writing Event

EVENT DATE & LOCATION TBA

The County is re-modeling J-St. Drain. **Come sign petitions and letters** to ask Supervisor Zaragoza, Supervisor Long, Mayor Holden, and Mayor Sharkey to choose & support an alternative to **bury the J-St. Drain & provide a beautiful 3 mile vegetated trail on top of the Drain** from Redwood St. to Ormond Beach, that would prevent trash from entering our coastal waters. This would improve neighborhood beauty, resident well being, property value, recreational opportunities, tourism, wildlife health, and coastal water quality! Questions/RSVP: 823-3301 or jweiner.venturacoastkeeper@wishtoyo.org

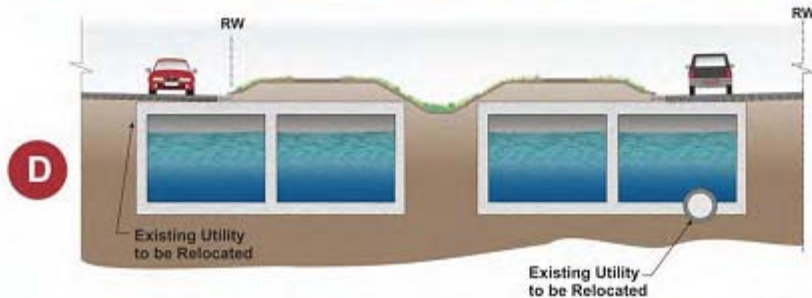

This can be built from Redwood St. to Hueneme Rd.

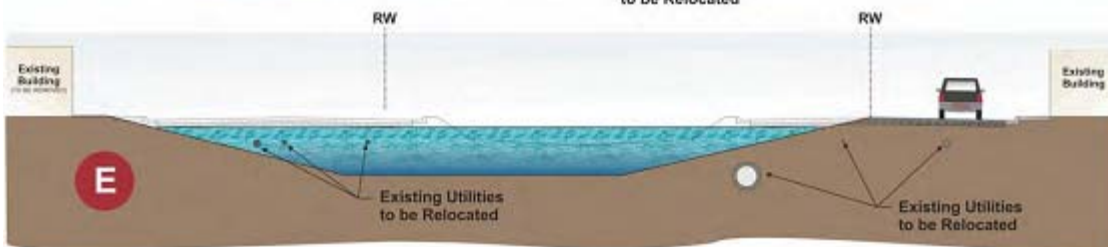

Current Choice
from Redwood St. to Ormond Beach

This can be built with A or D from Hueneme Rd. to Ormond Beach

This can be built from Redwood St. to Hueneme Rd.

Probably too expensive, high property acquisition costs
